The "classes" are about my public declaration and the private business trust behind it. It claims secured equity in the US Treasury via the birth certificates, and names the US POTUS and Secretary of Treasury as trustees. It's a lesson of usury that offers separation between a living man and a commercial entity as a fair and peaceful resolve.

<https://t-rohshow.com/episodes-200-237/>

4:54 PM

Did you see this one yet

4:55 PM

I don't think I've seen that one yet. I've watched at least 10 hours of
video so far and read a good amount of the articles and documents
on the various TUSA party websites.

I'll watch this one as you suggest, but I am becoming wary. To me, it's
a simple question that shouldn't require an hour long explanation;
What is the specific purpose and intent of the signature on the
Resident Declaration Form?

5:00 PM ✓✓

I agree with you

5:02 PM

I have more Videos by james

5:23 PM

First question is asked all the time. Have you listened to the videos?

5:23 PM

I have watched more than 10 hours of videos so far. It is becoming
very tiresome and time consuming and I actually prefer to read
where important details are concerned.

5:43 PM ✓✓

Wow 5:44 PM

Ya 5:44 PM

Have you asked [REDACTED]? I think that's her name [REDACTED]

5:45 PM

This TUSA residency is a very serious matter for me that warrants very careful and meticulous examination. My name and estate are held privately by me in trust. I need full accounting of paperwork in order to extend that trust to your Associations.

5:46 PM ✓✓

5:48 PM

I have 5 different answers to my very simple question of what is the specific purpose of the Declared Residency Form and where can I find that expressed?

5:49 PM ✓✓

Then I would make it up my last one by asking James. Faith that question

5:49 PM

I did ask him. He told me to ask the person that told me to ask him.

5:51 PM ✓✓

Do you know who that person is

5:51 PM

Think he was talking about you right within

5:52 PM

I'm not sure what you mean

5:52 PM ✓✓

Well,
I'm thinking it sounds like a question. It's not easy for me to explain that either. Let me think about it

5:53 PM

I think that you'd be the person that can answer that,

5:53 PM

Go to Ana So we could talk there

5:54 PM

I already asked my question there.

5:54 PM ✓✓

Ok

5:55 PM

Twice now. I just asked it again a second time like you suggested.

5:55 PM ✓✓

I'll get back with you. Yeah I saw that

5:55 PM

Just.

Be a little more patient, that's all

5:56 PM

Lol lol

5:56 PM

Yes of course.

6:19 PM ✓✓

Lol

6:19 PM

I wanna hear the answer myself

6:19 PM

Who was that person?

Ask the person that told me to ask him?

6:22 PM

Who'd you ask that question to before

6:22 PM

Office of the registrar for Government of The United States of America.

6:48 PM ✓✓

Yep

6:49 PM

The same office and official who told me that by signing the Resident Declaration Form I have signed and agreed to a Bi-Lateral Social Compact Agreement.

I absolutely must find clarity on this statement. It concerns me.

6:49 PM ✓✓

Did you ask a secretary of the state which would be Tom? G

6:51 PM

6:51 PM

James Faith also told me to talk to Tom. I asked James how to contact Tom and that was ignored.

edited 6:52 PM ✓✓

Can you tell me how to contact Tom G?

6:53 PM ✓✓

I don't think I'm getting the full message from both sides. So with that I Withdraw. away

7:28 PM

Fair enough thank you.

I think they think I'm trying to start trouble. I'm really not. I just want to fully understand all of the steps I'm taking. I've taken exactly one step so far and apparently I don't understand what I did, or at least that's what I was told. I only want to understand the point of confusion. I'm not out to get anyone.

8:18 PM ✓✓
